Response to Request for Reconsideration

The Examiner has reviewed the request for reconsideration received Aug. 4, 2004 and withdrawn the art rejections responsive to Applicant's arguments of record. However, an objection to the specification is set forth below.

Objection to the Specification (Improper paper appendix of computer program listing exceeding 300 lines)

The description portion of this application contains a computer program listing consisting of more than three hundred (300) lines. In accordance with 37 CFR 1.96(c), a computer program listing of more than three hundred lines must be submitted as a computer program listing appendix on compact disc conforming to the standards set forth in 37 CFR 1.96(c)(2) and must be appropriately referenced in the specification (see 37 CFR 1.77(b)(4)). Accordingly, applicant is required to cancel the computer program listing appearing in the specification on pages [1], file a computer program listing appendix on compact disc in compliance with 37 CFR 1.96(c), and insert an appropriate reference to the newly added computer program listing appendix on compact disc at the beginning of the specification.
